

# 2016 Clean Ohio Trails Fund Awards

County	City/Village	Applicant	Project	Total Project Costs	COTF Funding	Proposal
Athens		Athens County	ABRT-Frost Extension	\$143,229.00	\$107,422.00	Project involves clearing, grubbing and grading 5.3 miles of old railroad grade, building a steel beam bridge on existing abutments and constructing a parking lot.
Butler		MetroParks of Butler County	Great Miami River Trail, Timberhill Connection	\$439,119.00	\$329,339.00	This project will construct a trail extension of the Great Miami River Trail, connecting to the Timber Hill Activity Area of the Rentschler Forest MetroPark. The trail will be 3,270 feet in length.
Cuyahoga		Cleveland Metropolitan Park District	Whiskey Island Connector	\$3,104,250.00	\$850,000.00	This project includes engineering, design and construction of a 1 mile All-Purpose Trail adjacent to Ed Hauser Way, that connects Edgewater Park and Wendy Park/Whiskey Island.
Cuyahoga	Village of	Glenwillow	Glenwillow-Tinker's Creek Trail-South	\$271,558.00	\$119,450.00	This project involves construction of a 0.45 mile Multi-Purpose Trail along Tinker's Creek that will create a connection from the John D. Brown Multi-Purpose Trail on Pettibone Road where a new trailhead will be constructed.
Cuyahoga		Cuyahoga County	Stage IV: The Link to Downtown Cleveland	\$4,147,000.00	\$317,030.00	This project will create a 1.5 mile section of the Towpath Trail Greenway connecting Cleveland's Tremont neighborhood to downtown Cleveland.
Darke	City of	Greenville and Darke County Park District	Tecumseh Trail Phase VI	\$315,936.00	\$236,952.00	This project will extend the Greenville Creek Trail 4,874 linear feet merging it with the Darke County Park District's existing Tecumseh Trail.

County	City/Village	Applicant	Project	Total Project Costs	COTF Funding	Proposal
Franklin	City of	Hilliard	Heritage Rail Trail Extension Phase I	\$1,494,000.00	\$850,000.00	This multi-use pathway will extend the Heritage Rail Trail toward the southeast. The path will crossover Cemetery road on an existing railroad overpass and terminate at Day. The proposed path will be 2,900 LF long.
Franklin	City of	Gahanna	Big Walnut Trail-Section 4	\$2,176,700.00	\$850,000.00	This project will construct 6,700 linear feet of trail known as Section 4 of the Big Walnut Trail, and it will also include construction of one pedestrian bridge across Big Walnut Creek.
Franklin		Columbus and Franklin County Metropolitan Park District	Ohio to Erie and Camp Chase Trail	\$1,038,265.00	\$615,040.00	This project calls for paving an existing aggregate trail, construction of a new trail bridge and new trail connecting to the Camp Chase Trail within Batelle Darby Creek Metro Park.
Franklin		Prairie Township	Hellbranch Trail	\$632,420.00	\$474,315.00	This project will construct two miles of all purpose trail to connect Alton Hall Elementary School and two public parks to the Camp Chase Trail. The trail will be part of the proposed Hellbranch regional trail.
Franklin	City of	Columbus Recreation and Parks	Alum Creek Trail-Shepard Connectors	\$401,446.00	\$248,462.00	This project funds the construction of a 10-foot-wide multi-use trail that will add 3,075 linear feet to the Alum Creek Trail, connecting the Shepard and St. Mary's communities to the trail. This connector will use existing abandoned rail corridor and park property.
Franklin	City of	Columbus Recreation and Parks	Olentangy Trail-Arena District Connector	\$1,942,580.00	\$485,000.00	This project will construct a connection between the Downtown Arena District and the Olentangy Trail. The project includes a trail bridge across the Olentangy River, connecting future park space and the Arena District.
Hamilton	City of	Hamilton	Hamilton Beltline	\$671,200.00	\$503,400.00	This project will fund the purchase of an inactive rail corridor known as the Hamilton Beltline from the CSX Corporation. The purpose of the acquisition is to turn the rail corridor into a multi-use recreational trail through Hamilton's west side.

County	City/Village	Applicant	Project	Total Project Costs	COTF Funding	Proposal
Henry		Northwestern Ohio Rails-to-Trails Association Inc./ Village of Liberty Center	Wabash Cannonball South Fork Extension, Phase I	\$194,095.00	\$145,571.00	This project will construct 2,925 linear feet (LF) of 10-foot-wide aggregate trail up to the Village of Liberty Center corporation limit. The trail will then pass through the village using shared-use bike routes along Wabash Street.
Huron		New London-Greenwich Rail Trail Inc.	New London-Greenwich Rail Trail	\$281,950.00	\$208,641.00	This project will acquire an out of service Wheeling and Lake Erie railroad corridor from St. Rt. 162 in New London to Townsend Street. in the Village of Greenwich, a distance of 7.1 miles.
Lucas		Metroparks of the Toledo Area	Oak Openings Corridor Trail	\$791,266.51	\$593,449.00	This Oak Openings Corridor Trail will connect Secor Metropark with the newly opened Wiregrass Lake Metropark. The trail will be comprised of 12-foot-wide aggregate path sections (7,933 LF) and a 10-foot-wide section of board walk (647 LF).
Lucas	City of	Toledo	Overland Bike Trail Parks Connector	\$867,100.00	\$650,325.00	This project will construct new bike facilities that will connect existing parks, existing trail segments and committed segments to fill gaps along the planned route of the Overland Bike Trail. This trail will go from Beatty Park to Willys Park.
Lucas	City of	Sylvania	River Trail Phase II	\$2,408,973.00	\$850,000.00	This project will be the second phase of the River Trail. The project will construct 0.65 miles of trail along the Ottawa Creek and Ten Mile Creek. Two bridges will be constructed along with two retaining walls.
Marion		Marion County Park District	Marion Tall Grass Trail-Phase V	\$1,004,225.65	\$726,169.00	This portion of the trail will be 8,200 LF from the end of Phase IV. A portion of this trail crosses perpendicular to Riley Road which is 16 feet above the trail, and a box culvert will be installed.
Montgomery	City of	Moraine Parks and Recreation & Five Rivers Metro Parks	Deer Meadow/Possum Creek Connector	\$618,995.00	\$464,246.00	This project will construct a 10-foot-wide multi-use trail 0.85 miles long that will connect Possum Creek Park to Deer Meadow Park.

County	City/Village	Applicant	Project	Total Project Costs	COTF Funding	Proposal
Summit		Summit Metro Parks	Freedom Trail Phase III- Eastwood Avenue to Downtown Akron	\$2,190,000.00	\$250,000.00	This project will construct a portion of the Freedom Trail that will travel 2 miles from Eastwood Avenue East to Mill Street in downtown Akron.
Summit		Cuyahoga Falls	Mill Pond-Mud Brook Greenway Trail Phase I	\$833,586.00	\$625,189.00	Mill Pond-Mud Brook Greenway Trail Phase I is a proposed 0.97 mile, 8-foot wide asphalt paved trail. This trail will provide connections to local and regional trails.
Grand Total				\$25,967,894.16	\$10,500,000.00
